

The Island Lodge, Thới Sơn

A very relaxing lodge just an hour and a half away from Saigon and already at the heart of the Mekong delta.

Of their creation, [the Island Lodge](#), Francoise and Michel say:

When you come to our home, we certainly do not want you to “feel like at home”! We wish to invite you to enjoy a new good life in a warm and relaxed atmosphere, away from the noise and the ostentatious, and simply live for the time you have decided, a natural and authentic pleasure.
