

# Bassac River Retreat

## Slow down to the pace of the River

Lose yourself deep into the heart of the Mekong delta, over one night or more, on board the Bassac, two classic wooden cruisers with all comfort on board and caring service.

All the meals are included: Classic Vietnamese cuisine fresh from the galley for lunch and dinner, with an extra touch of class in the evening. And for breakfast: all manners of bread hot from the oven, as we bake afresh every day.

We can also arrange road transportation, accommodation, excursions and meals on shore.

The day begins with an opportunity for some yoga and meditation. Throughout the day, you are invited to take a brush and colours and sit at an easel, or some clay to model into an object of your own.

In the evening, we shall share, prepare and knead sourdough from the board. You might also bring your mind to quiet and your body to peace with a head and foot massage while the Mekong scenery flows beside you.
