

## Day cruises

Cruises from a few hours to full-day tours to Cần Thơ's surrounding countryside and into the middle of the river life of the Mekong delta, on board the [Mystic sampans](#).

The **Mystic sampans** are large sampans able to run the medium-range cruise through the maze of canals and tributaries of the Mekong, and can navigate by night in comfort. They are built so as to allow you a level access to the action at the floating market, and offer the perfect platform to carry a party of cyclists out to the green.

The Mystic sampans accommodate up to 16 passengers, seated at the carré or at their tables with service at the table, or with a buffet for larger groups. They can host breakfasts as well as lunches and dinners.

Our services range from breakfast to the floating market to a discovery of a Khmer sanctuary with lunch on board, to sunset cruises, grand days out to the green area, or even dinner on board.
